Claim Rejections - 35 USC § 112

1. Claim 15 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 15, applicant defined a first plurality of disposable cleaning heads on line 3 and then defines a first cavity adapted to receive a second plurality of disposable cleaning heads of said first plurality of cleaning heads. The claim further requires a third plurality of cleaning heads of said first plurality of cleaning heads in a second cavity. It is not clear whether the second plurality of disposable cleaning head is exact same structure and same number as the first plurality of a portion of the first plurality. Same defect for the third plurality of cleaning heads. In addition, it is not clear as to the meaning of the term "coincident planes." Appropriate correction is required.

Specification

2. The disclosure is objected to because of the following informalities: On page 5, line 2, the missing information should be corrected.

Appropriate correction is required.

Allowable Subject Matter

3. Claims 1-14 are allowed.

4. Claim 15 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
